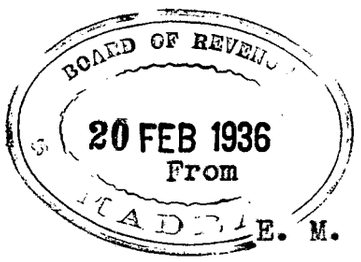
G 1104.

Ref. C. No. L-36.



South Kanara Collector's Office,
Mangalore, dated 18th February 1936.

From

E. M. Gawne, Esq, I.C.S.,
Collector of South Kanara.

To

The Secretary to the
Board of Revenue,
M a d r a s.

S i r,

Establishment-- Temporary Draftsmen--Further retention--1936-37--sanction sought.

I request that the Board may be pleased to obtain the sanction of Government for the further retention, for a period of one year, of the two temporary draftsmen employed in this district since September 1927. The sanction last accorded for their retention expires at the end of the current official year--please see G. O. No. Ms.756 Revenue Department dated 26th March 1935 communicated with Board's Proceedings Rout. No.1723 dated 28th March 1935.

2. The current sub division work in this district is still heavy. The number of sub divisions received for scrutiny for the first time during the year ending on 31.1.1936 was 10153, which is only slightly less than the number received in the preceding year. The one permanent and two temporary draftsmen in this office did sufficient work during the year; they scrutinised for the first time 10300 ordinary sub divisions and 9115 errata sub divisions, scrutinised for the second time 3679 sub divisions, and plotted 9439 ordinary sub divisions and 3463 errata sub divi-divisions. They also plotted 447 fields in the maintenance set of village maps, prepared copies of plans comprising 1629

subdivisions, renumbered in the Field Measurement Books 6494 subdivisions with long and clumsy notations and carried out 3280 corrections in the maintenance set of village maps, these corrections having been rendered necessary as a result of the merging of small-sized fields. Though the draftsmen thus put in more than their minimum outturn, there remained at the end of last month 7195 sub divisions for scrutiny and plotting--the arrears at this time last year being 6481 sub divisions.

3. As there is no reason to expect a decrease in the number of sub divisions, the retention of the two temporary draftsmen is necessary to clear off the arrears and to cope with the current work. I request, therefore, that the Board may be pleased to obtain sanction for their retention during the ensuing official year. Necessary provision has been made in the Budget estimate under "5 a Land Revenue--charges of administration--A Taluk establishments--Pay of establishments."

Your obedient servant,

Collector.
